HSC   2019-2021

SAKTHI MATRIC HIGHER SECONDARY SCHOOL,KANIYAMOOR   **Percentage:90**

SSLC   2019-2021

SAKTHI MATRIC HIGHER SECONDARY SCHOOL,KANIYAMOOR   **Percentage:93**

INTERNSHIP

Full Stack Development

RE-tech Solution / June 2022 - July 2022

Library Management System

- Implement login/sign•s with role-based access (Admin, Librarian. User).
- Allow issuing and retuming books with due dates and fine calculation for late retums.
- Using HTML.CSS. JavaScript in to implement a project.

CERTIFICATION

- Aunthetication System using Mean Stack -Workshop
- HTML - Great Learning
- Core Java - INTERNSHALA

PROJECT

Sign language classification text and voice output system using RESNET

- Applied a pre Trained ResNet (Residual Network) model to accurately classify hand gestures representing sign language . Captured hand gestures through a webcam and processed the frames for real-time prediction . Converted recognized gestures into corresponding text and then used text-to-speech (TTS) to generate voice.

SKILLS

- SQL
- JAVA
- HTML,CSS
- JavaScript
